## **Eurex Exchange's T7 release 7.0 readiness news**

---

Dear Eurex participant,

With this mailing we would like to highlight the system documentation for T7 release 7.0 available on the website. Eurex has published several documents for its trading participants to assist them during the simulation phase of T7 release 7.0. Under "New Publications" you will find a list of the latest useful system documentation. As always, Eurex highly recommends that all trading participants work through the system documentation to ensure a smooth go-live of T7 release 7.0.

Since the simulation phase for T7 Release 7.0 is already available, we strongly urge all trading members to participate in the simulation environment and to test various scenarios to ensure readiness.
